Case Study - Cognita Schools Catherington, Hampshire

Project Scope

C&G Building Contractors have worked with Kingscourt School in Catherington, Hampshire for a number of years on a variety of different projects. Our ability to utilise our extensive network of suppliers and sub-contractors enabled us to carry out some of the more specialist works required. These projects are generally undertaken during school holiday times however we still ensure all operatives working in and around schools are fully DBS checked regardless.

Project Value

£100,000

“C&G have provided us with high quality, professional and timely work on a number of projects across various trades. We have always been impressed with their service and knowledge.”

Barry Easton, Bursar

Works included:

- Refurbishment of all existing school washrooms.
- Conversion of a storeroom into a new washroom.
- New link corridor between new washroom and main hall.
- Internal and external decorations.
- Rainwater goods serviced and refurbished.
- Extension of the existing car park to accommodate additional parking spaces.
- Replacement of timber sash windows.
- Refurbishment of staff facilities including new kitchen facility.
